To Jack Turbeville C.E.O central Florida KVAR

From Freddie Renfro Foreman Water & Waste Water

Jack the City of Avon Park is pleased with performance of the KVAR units that we have at our water & waste water plants. As of January 27 2009 the units that we have at our water plant have already saved the City enough to pay for the initial coast of the units. We are looking forward to doing the rest of our plants in the future.

Thanks,

Freddie Renfro
