KVAR Energy Savings, Inc.
741 Orange Avenue
Daytona Beach, FL 32114

To Whom It May Concern:

On behalf of Florida Senate, District One, I am supportive of KVAR Energy Savings, Inc. in Daytona Beach. KVAR specializes in saving energy, which in return supports a healthier environment and savings for many.

KVAR's great concept is significant and would be delighted to see the benefits of many, whether it's residential, commercial or industrial to become more educated on electrical energy conservation technology.

I was amazed of KVAR's presentation and feel that their global mission is in sync with the concept of "Going Green" to reduce energy costs, and overturn the uneconomical consumption of our natural resources.

Therefore, I respectfully support KVAR Energy Savings, Inc. with high regards.

Sincerely,

Anthony C. "Tony" Hill, Sr.
